THE PROBUS CLUB OF COLCHESTER IS A FRIENDLY CLUB FOR RETIRED PROFESSIONAL OR BUSINESS MEN. MEETINGS ARE ON THE SECOND AND FOURTH WEDNESDAY OF THE MONTH. MEETINGS START AT 10.30AM. FOR MORE INFORMATION CONTACT THE SECRETARY: EMAIL: BOBJUNIPER@BTCONNECT.COM TEL: 077 7088 3671

## DRAFT LOCAL PLAN

Colchester Borough Council has published its draft Local Plan 2017 - 2033 and will be undertaking consultations from 16 June to 24 July. Full details of the plan are available on the village website [www.langham.org.uk](http://www.langham.org.uk), together with a report by the Parish Council as it affects Langham, presented at the Annual Parish Meeting. A Borough Council *drop-in session* will take place at Langham Community Centre on Thursday 6 July from 4.00 pm to 8.00 pm, attended by council officers and other representatives, when residents and members of the public can make their views known.

The draft Local Plan proposes an allocation of 80 dwellings in Langham over the plan period 2017-2033, with developments of two estates of 40 and 30 dwellings respectively in School Road and 10 dwellings in Wick Road.

Based on the draft Local Plan and Boxted Neighbourhood Plan, a planning application for 36 dwellings in Boxted has been submitted to the Borough Council. Objections to this application have been received from the Environment Agency and Langham Parish Council, citing the lack of capacity at Langham Water Recycling Centre. The addition of 80 dwellings in Langham would add significantly to this lack of capacity.

All are encouraged to attend the drop-in session on 6 July, when residents and members of the public can make their views known.

## BOXTED EVERGREENS

Our club enjoyed many interesting and pleasant afternoons recently. For our Easter meeting we ate hot cross buns and enjoyed a visit from Reverend Mandy. Ruth Sycamore won first prize for her Easter basket. Seventeen members enjoyed a coach trip to Norfolk, watching glass blowing at Langham Glass, then on to a visit to Burnham Market.

Another trip saw the club members touring Southwold, followed by a visit to Aldeburgh, enjoying fish and chips on the way.

We have a planned trip to Brick Lane Music Hall with afternoon tea at the end of June, which is sold out.

New members are always welcome. Ring Linda on **01206 272710**

## RUBBISH AND RECYCLING

Hopefully every resident will, by now, have received a card telling them about the new rubbish and recycling collection arrangements for their address.

Just in case that hasn't happened, here's a brief summary:

Wheelie bins are not being distributed in Boxted & Langham; general rubbish will continue to be disposed of in black bin bags

Black bin liners will be collected fortnightly instead of weekly, a maximum of 3 per collection; they will be collected in the Blue week

Paper & textile recycling have moved to the Green week

Food waste will continue to be collected weekly

Garden waste bags became free from 20th June. When collecting from a collection point, you must produce a voucher which can be ordered online at [www.colchester.gov.uk/recycling](http://www.colchester.gov.uk/recycling) or by phone on **01206 282700**

Langham rubbish and recycling will continue to be collected on a Friday

Boxted collection days will vary as they do now, depending on where you live, but the actual day may be different to what it has been. Check your recycling calendar.

### LANGHAM COMMUNITY SHOP

We are looking for volunteers to help Jane our Manager for a couple of hours on Thursday mornings when our stock delivery arrives.

**If you are interested, please come in and speak to Jane or call her on 272431**

### THANK YOU

"We would like to thank the lady who stopped on a horse to assist me and my brother following our cycle accident in Chapel Road last month.

We would also like to thank the lady who brought us home in her car. Many thanks to you both, it was very much appreciated"

From Owen & Reece.

## BOXTED HISTORY GROUP

Before commencing Mays talk on the extraction of salt in the Blackwater estuary, members were asked 'How many had a packet of Maldon salt at home?' and surprisingly about half had.

The speaker David Newman has no connection with the salt industry, but became interested in the subject when he moved to Goldhanger and became the local historian.

The presence of salt works in the Blackwater was recorded in the Doomsday book and the number increased as more uses for salt were found. Estuaries are naturally more salty with successive tides increasing the concentration. In particular the Blackwater is located in an area with low rainfall, high levels of sunshine and drying east winds creating one of the highest levels of salinity in the U.K. at 17% compared with 3% in the open sea.

Salt became so important and profitable that in 1640 a salt tax was introduced and inevitably resulted in hundreds of smugglers. Tax evaders and illegal producers were hanged for evasion. When cheaper rock salt was discovered in Cheshire in 1670 the local industry began to decline. Eventually only the works in Maldon remained but an increase in demand for fashionable salt baths and health foods exceeded its output and additional production has resumed at Goldhanger.

## LANGHAM 100 CLUB

## BOXTED W.I.

The W.I. recent get togethers included an evening of household tips, some very sporting ladies adorned themselves in the fashion of the 1950s housewife whilst the ladies amused themselves with tips past and present, including a stain removing demonstration which included Geraldine bravely applying lipstick to her Sunday best silk!

This was followed by a quiz and even finding cleaning use for WD40 and lighter fuel! Georgina Edwards elegantly won the glamorous 1950s housewife.

May saw some of the Boxted ladies attending the gathering of W.I. groups in this "Spring Valley" region, joining many from Langham for a social evening.

Additionally, a large contingent also enjoyed a wine tasting evening, courtesy of Mr Wheelers Wine shop at Langham, learning some interesting wine facts whilst gaining a very healthy taste for the wines!

The ladies took to various methods of transport that evening - a handful even returning by bicycle via a very dark Hundred Lane carefully protective of their purchases!

A thoroughly enjoyable evening was had by all and our best wishes go out to Victoria Brown as we hope she has tamed her saddle!!!!

The May meeting saw a talk of the history and benefits of Pilates after the formalities of the AGM.

Thanks go to Jo Metson for her impressive presentation and following patience whilst all members "joined in" of sorts with a degree of laughter for a brief experience either laying, sitting or standing.
